FIVE CITIES FIRE AUTHORITY

Driver/Operator 1A
Emergency Vehicle Operations

Dates: December 1-5, 2014

Times: 0800-1700 hrs

Location: FCFA Station 1
140 Traffic Way
Arroyo Grande, CA

Instructor: Engineer Mark Searby

Coordinator: Engineer Mark Searby

Cost: $150.00

Description: Updated to reflect current California Vehicle Code (CVC) requirements and the 2009 NFPA 1002 Standard for Fire Apparatus Driver/Operator Professional Qualifications. This course provides the student with information on driver responsibilities, recognized standards, and related laws for fire apparatus. Topics include basic inspections, documentation, maintenance, and troubleshooting fire apparatus, and techniques on driving and positioning fire apparatus. Each student also has the opportunity to increase his or her driving skills during simulated driving conditions.

Prerequisites: Fire apparatus driving experience on a public way. Option 1: Signed verification from the Fire Chief (form is on the SFT website); Option 2: California Class B driver's license, fire fighter restricted; or Option 3: California Class A, B, or C driver's license, fire fighter endorsed. Fire Fighter I training recommended.

Proof of completion of prerequisites will be required on the first day of class to attend course

Required Text (Student Provided):
California Commercial Driver Handbook, Current Edition
IFSTA Pumping Apparatus Driver/Operator Handbook, 2nd Edition
